

# Disadvantaged User

**Username/Password authentication** when tokens cannot be used.

## TARGET AUDIENCE

- NGA Segments that support **deployed** or **mobile users**
- Deployed or Mobile Device-based End Users

## HOW TO ENROLL

- NGA Segments are Disadvantaged User capable when integrated with GEOAxis
- Users can request a Disadvantaged User account at the following links:
  - <https://geoaxis.nga.smil.mil/users/disadvantaged.xhtml>
  - <https://geoaxis.nga.mil/users/disadvantaged.xhtml>

***NOTE:** Users must access the account registration process using their PKI credentials.*

## BENEFITS

- Activate **pre-registered** Disadvantaged User accounts on demand.
- Support deployed or mobile use cases, including **disaster response** scenarios.

GEOAxis supports Disadvantaged User accounts according to DoD issued Task Order J3-12-0863. Currently available on S/C and SBU.
